Gentlemen and Mrs. Schmidt:

Attached hereto is a copy of a resolution pertaining to one (1) zoning ordinance amendment acted upon by the City Plan Commission at their regular meeting held July 22, 1974. In addition to the reasons outlined in the resolution, the following are additional remarks pertaining to the ordinance involved:

1. Bill No. Z-74-05-14

2. From "R1" to "R3"

3. Intended Use: Photography studio

4. Plan Commission Recommendation: DO PASS

   This ordinance received a DO PASS recommendation for the following reason:

   1. The frontage along Clinton Street is commercial, therefore this petition would not be out of character since only an "R3" classification is requested.

NOTE: It has been mentioned in past deliberations with this same area, that access to the site from Forest Hill only, however, it is the staff's opinion that traffic generated by this use can adequately be handled by proper geometrics on Clinton Street. From a neighborhood conservency prospective, the access on Forest Hill would eliminate the heavy tree growth that now isolates the neighborhood from commercial uses on Clinton Street.
